

## News from Stained Glass Express!

### Coming Soon: *Stained Glass News!*

Pick up a free copy of *Stained Glass News* and enjoy stories and advice from other artisans in the field, learn new techniques, and gain knowledge about tools used in stained glass, fusing, mosaics, etching and lampwork!

You'll also get this incredible free pattern, **Southwest Maiden**, featuring lovely streaky glass in rich earthtones. Due to the nature of the glass, no two pieces will ever be alike. The pattern is good for beginners, as it requires no special cuts or techniques.

We will soon be receiving 100 copies to distribute to our customers at no cost. Don't miss out!
