

New Classes at the Glass Academy

★FUN NIGHT OUT★

Halloween Lanterns

with Pam Wilcox

Friday, Oct. 18

5:30 - 8:30 PM

\$90, all-inclusive

Halloween . . . a time of spooky shadows and terrifying tales. When trick-or-treaters make their way cautiously to your residence, hoping for a sweet treat to take home. Why not greet them with your own homemade Halloween Lantern?

Instructor Pam Wilcox will teach you how to make this charming and spooky lantern to perch in the window, or serve as a centerpiece at your Halloween haunting!

Students will have their choice of glass colors and two precuts, as well as other glass ornaments to make a luminous lantern of their own design!

All materials are included and delicious refreshments like wine, breadsticks, cheese and crackers, fruit, cookies and chocolate will be served, all part of the **Fun Night Out** experience!

No experience is necessary and everything is included!

You'll want to take our upcoming dragon class to learn how to make this handsome little guy...

...because ONE dragon is NEVER enough!

Learn How to Make One — and You Can Make Them ALL!

Create a legion of dragons that the Mother of Dragons herself would envy! Once you learn how to make the sitting dragon shown above (or the flying dragon second row, first on the left), you'll have the techniques under your belt to make any of the dragons shown above. We have all of these **castings** in stock — and for the entire month of September, they are **30% off!** Sign up for our **Make Your Own Pet Dragon** class today — and you'll soon find you are addicted to making these delightful fantasy creatures!

Make Your Own Pet Dragon

with Red Veilleux

Fridays, Sept. 13 - 20

(2 weeks)

5:30 - 8:30 PM

\$85 plus consumables

*Some stained glass experience
required*

You may have other pets at home, but how about your very own pet dragon? **Instructor Red Veilleux** will instruct you on how to make one of these powerful fantasy creatures to add to your collection! Choose from a sitting or flying dragon casting and select your choice of glass for his wings, be it fiery red or orange, dreamy blue or iridescent.

Students will need to bring one 6- x 6-inch glass sheet, solder, copper foil, flux, flux brush and patina. Those building the flying dragon should also bring a chain the style and length of their choice.

Some stained glass experience is necessary.
