*He/she who laughs last,
laughs best.*

Take the plunge.

Enter our 'Season of Laughter' Amazing Glass Challenge!

Laughter is a gift of Life...it shines through all our days in the most unexpected ways. The way someone you love can say a single word and you'll be in tears, unable to catch your breath...the natural comedy we witness every day in our furry loved ones, our pets.

The idea for this year's challenge was based on a beautiful design by Stone Ridge Glass, [*Ocean Laughter II Glasscape Lighting Sculpture Project.*](#) These delicate and powerful pieces capture the joyful and unpredictable energy of the ocean...so much like life itself.

The artists, Lucie Boucher and Bernie Huebner, generously donated leftover glass from this project. So we thought the wonderful theme of laughter – its unexpected, joyful delight – would be a great idea for this year's challenge...for in our times, the blessings of humor and joy are all too often overlooked.

We challenge your hearts and imaginations to bring this magic to life – in the poetry of color and glass. Join the fun – *and bring on the laughter!*

For more information, please click [here](#).

ENTRIES MUST BE RECEIVED BY FRIDAY, SEPT. 20, 6:00 PM.

Glass for the event has been donated by Lucie Boucher and Bernie Huebner of [Stone Ridge Glass](#). This glass is left over from the [Ocean Laughter II Glasscape Lighting Sculpture Project](#).
